ISSUE

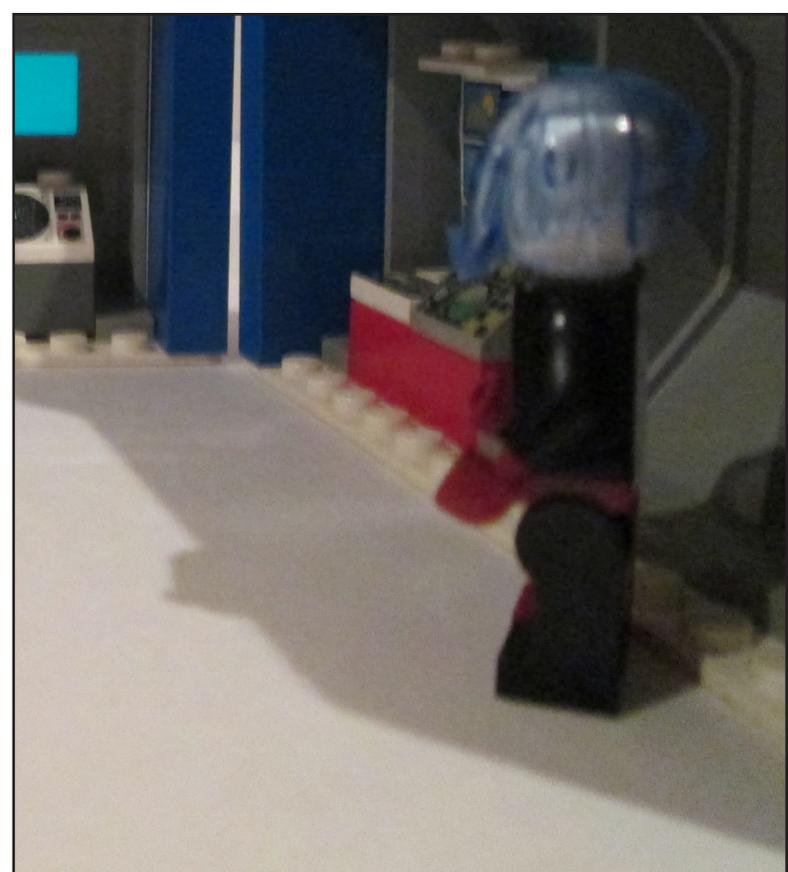

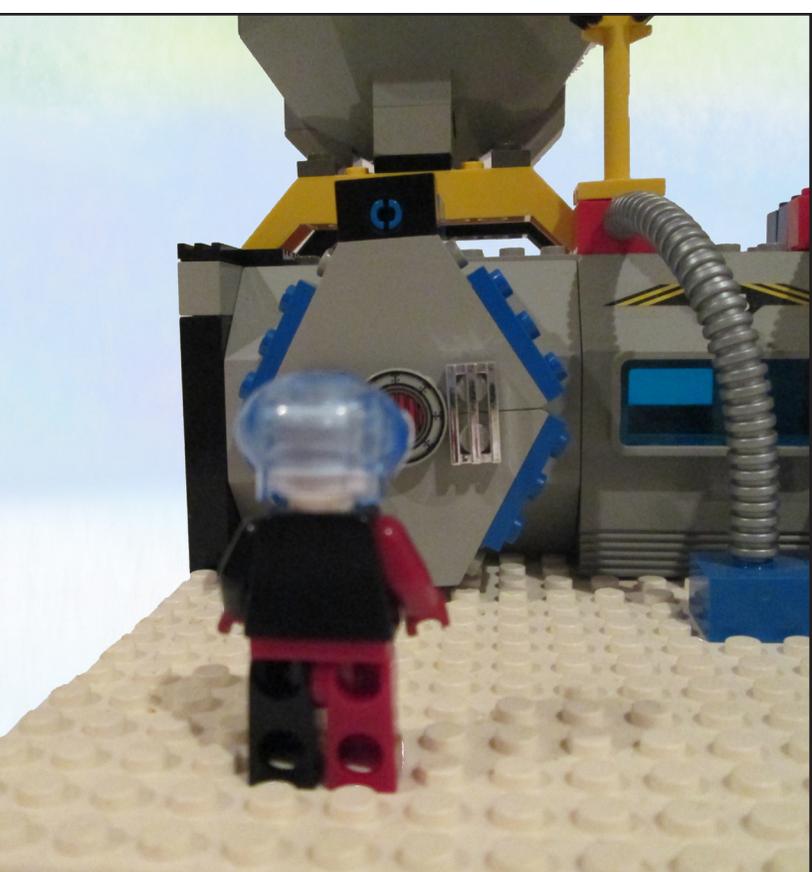

#13

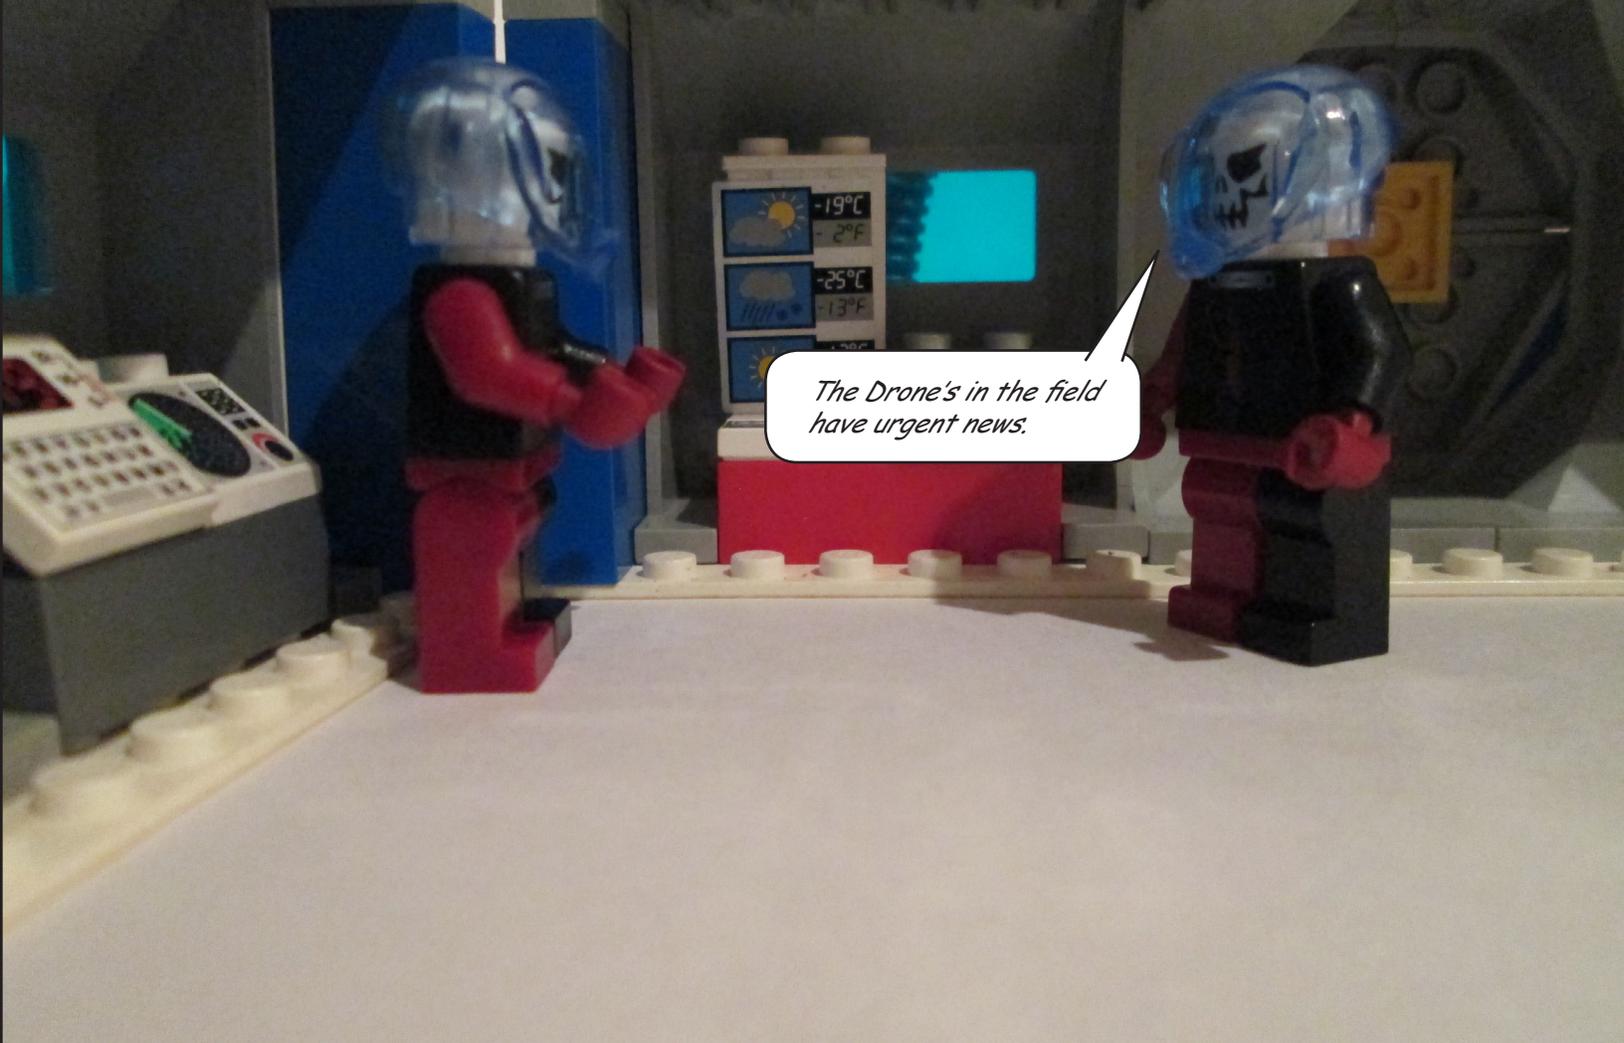

O

THE COMET, THE ARK, THE PLAGUE. EVERY SO OFTEN THE WORLD IS IN NEED OF A DO OVER. A WAY TO CLEANSE THE EARTH OF ITS IMPURITIES. THAT TIME HAS COME AGAIN, AND I HAVE BEEN ANOINTED WITH THAT TASK.

The Drone's in the field have urgent news.

O MY NAME IS OGEL, AND I AM GOING TO SAVE THE WORLD...

Sir, they found one.

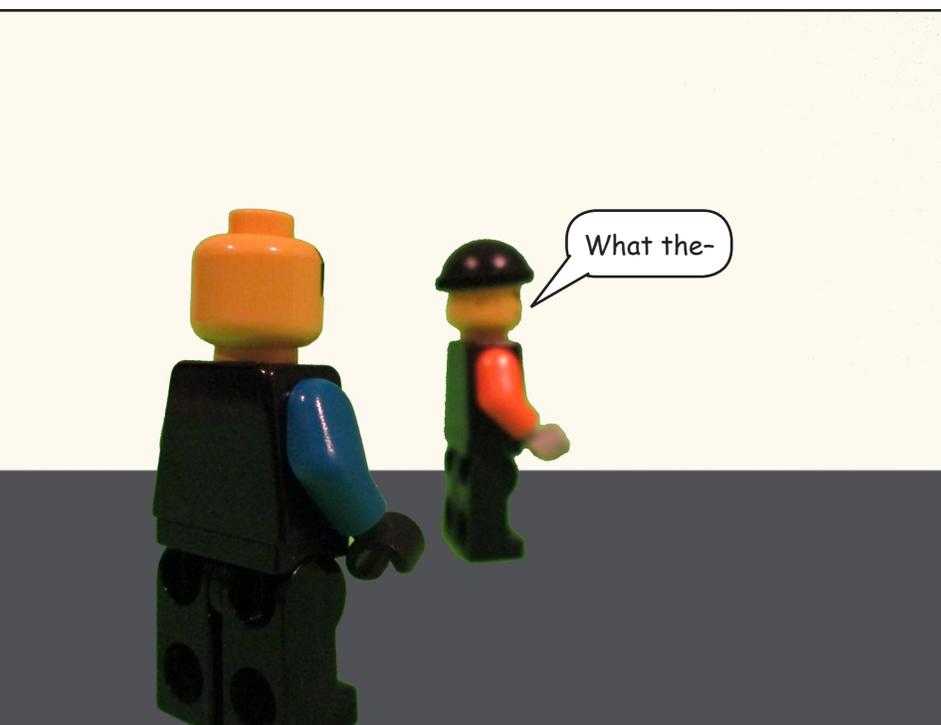

Flex?! Is that you?

Well just like you said, with everything that happened recently, it was time for a change you know.

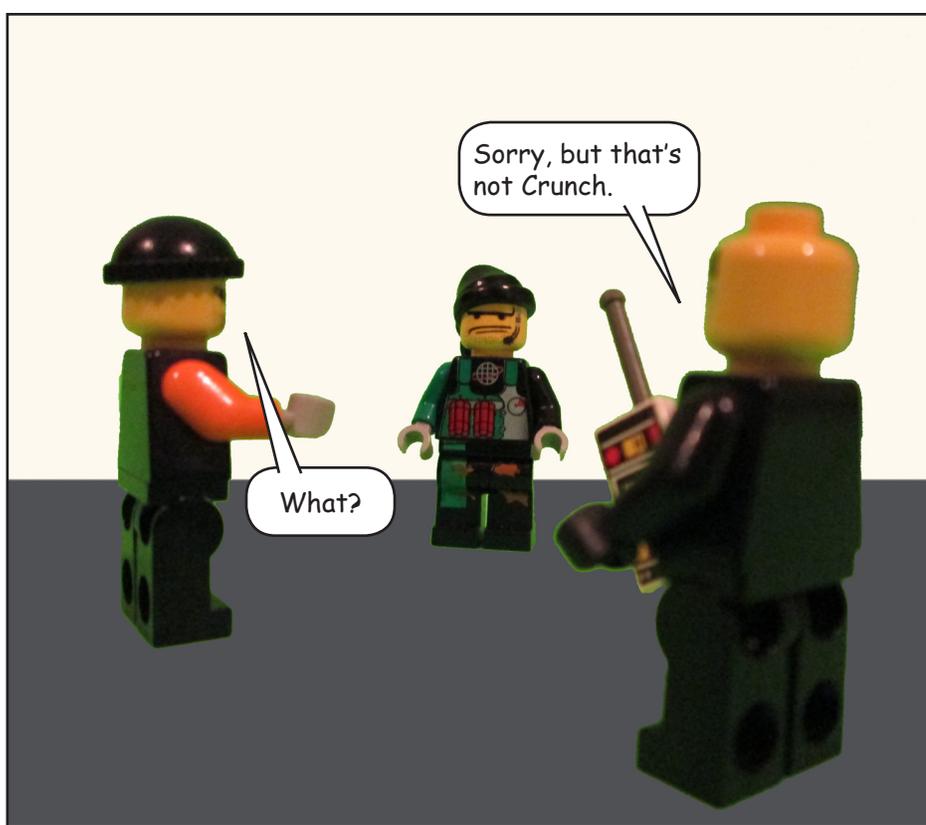

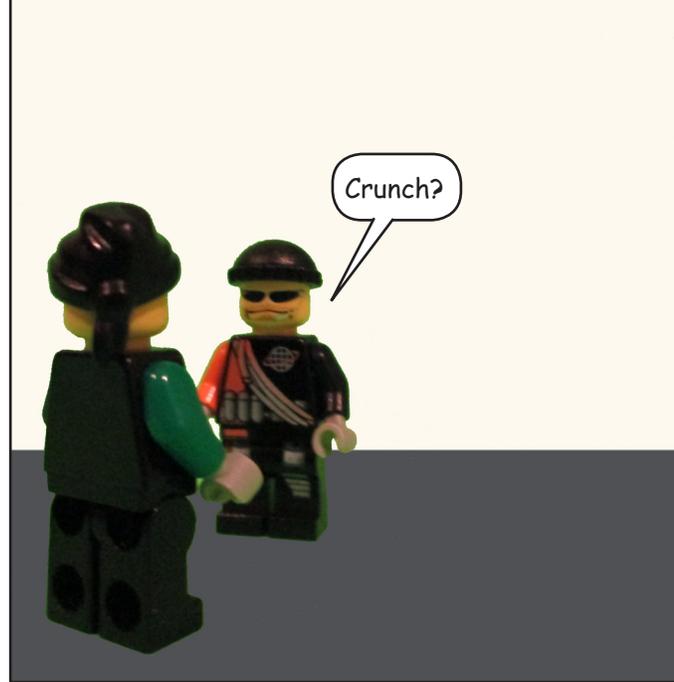

I understand. A lot has changed the last few months.

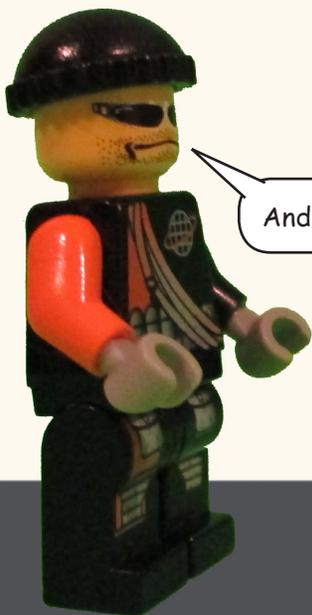

What the-

Flex wait-

And you are?

Meet Tee Vee version 3.0.
A.K.A T3.

Flex this is Diamond Tooth, a recent graduate of the academy and one of the new members of the Alpha Team.

Nice to meet you Flex,
I've heard a lot about you.

Uh, yeah... nice to meet... you... too.

How is the holo tech working?

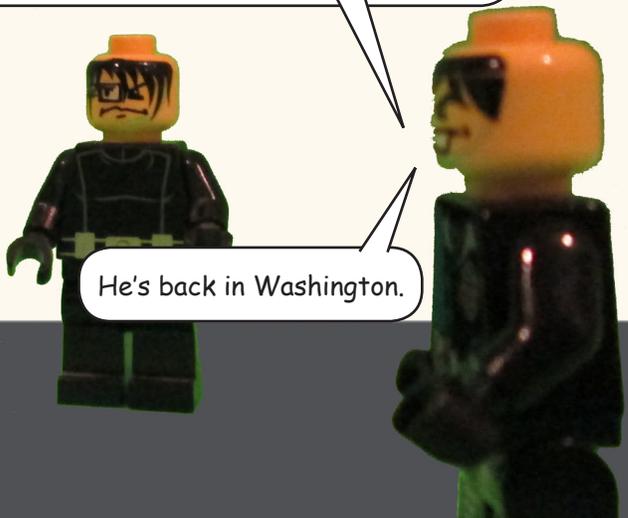

It's working great Arrow. Thanks for your help with it.

Arrow?

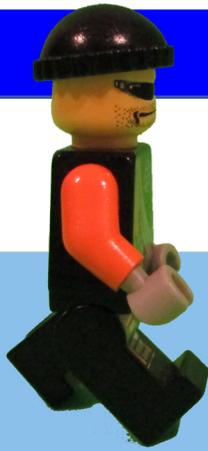

Flex you remember Arrow from the deep sea mission a few months ago. Dash made him part of the team.

Where is Dash now?

He's back in Washington.

Hey Dash, could we talk-
Oh hello.

Hello, I'm Zed. Nice to meet you.

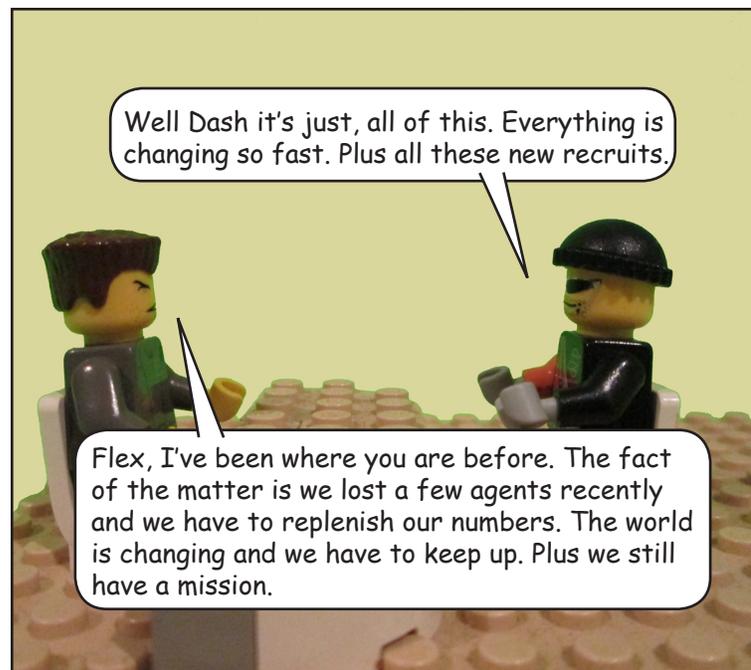

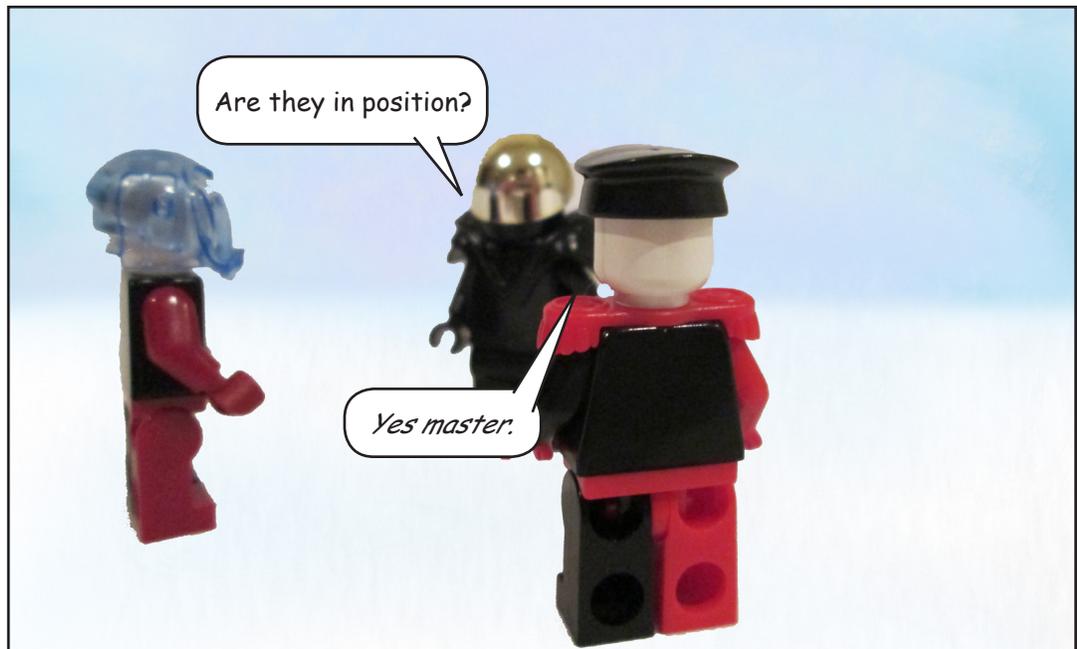

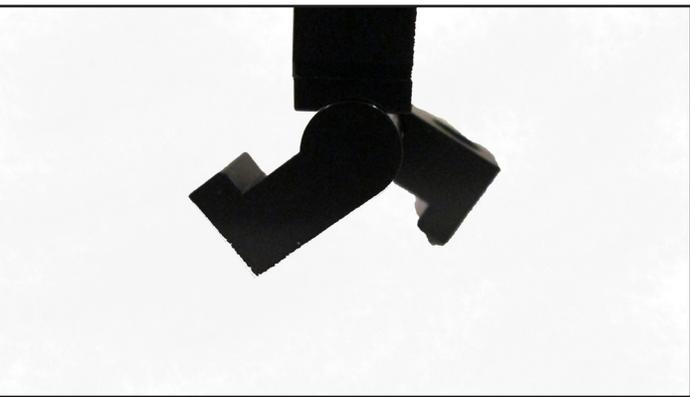

Okay Zed we'll talk later.

Thank you sir.

Are you ready to take out your former friend **Drone 'C'**?

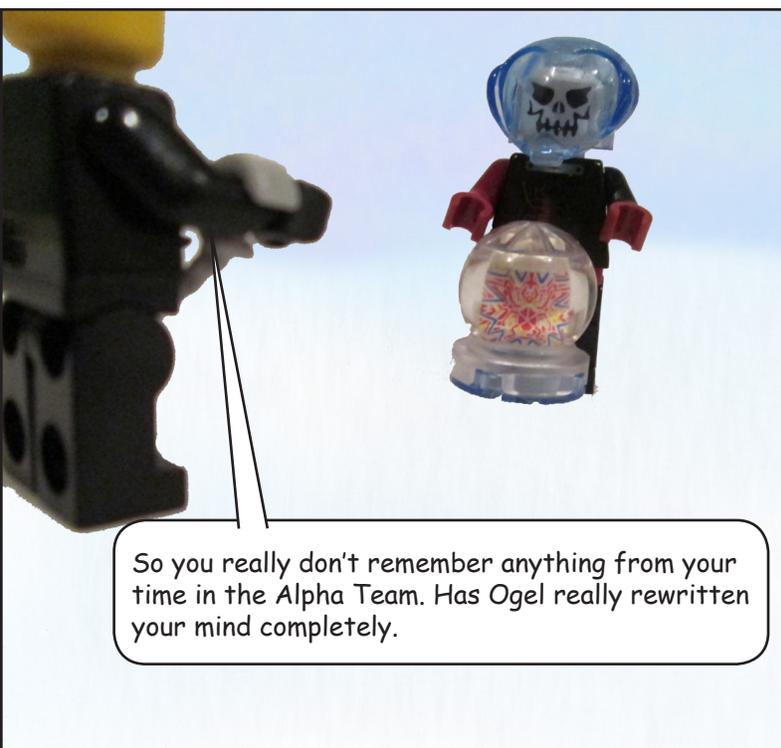

Yes master.

So this is it Ogel? You're just going to cast me off?

Me no. But it will be a familiar face. Go on Drone 'C'

So you really don't remember anything from your time in the Alpha Team. Has Ogel really rewritten your mind completely.

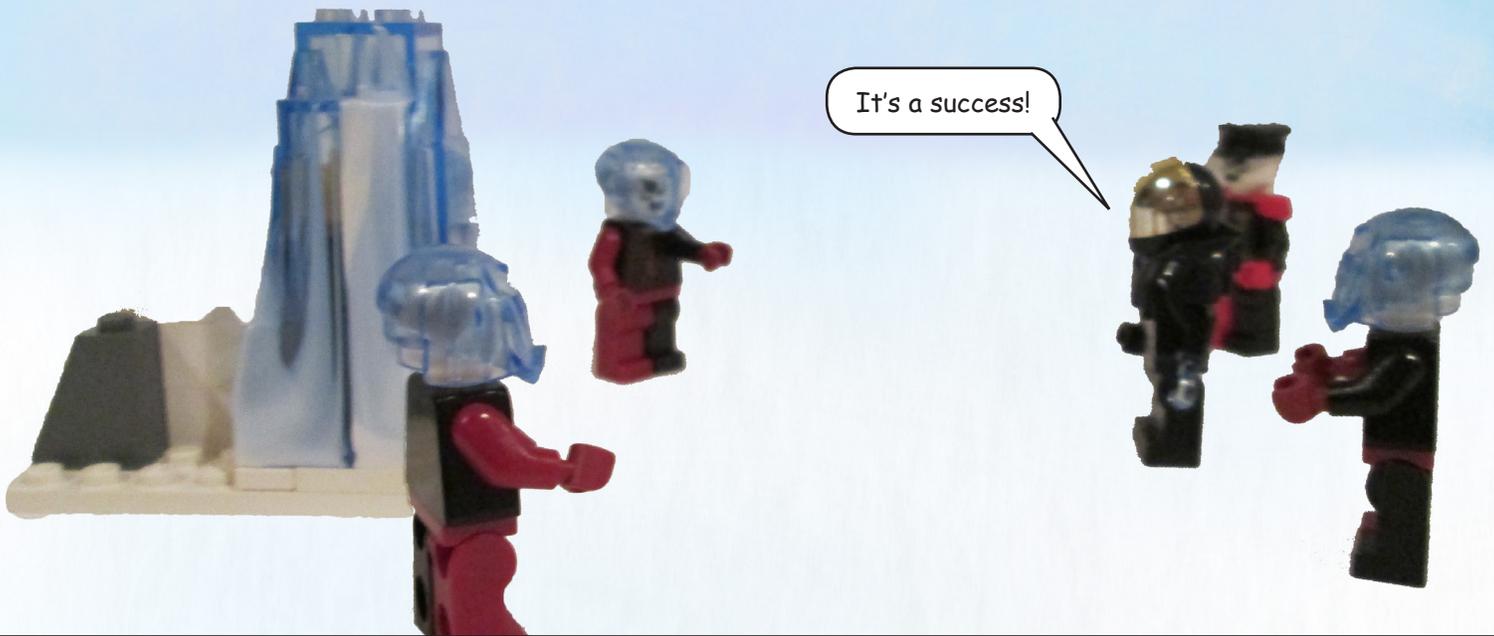

Guess so.

Activate it.

...Yes master.
