ISSUE

#21

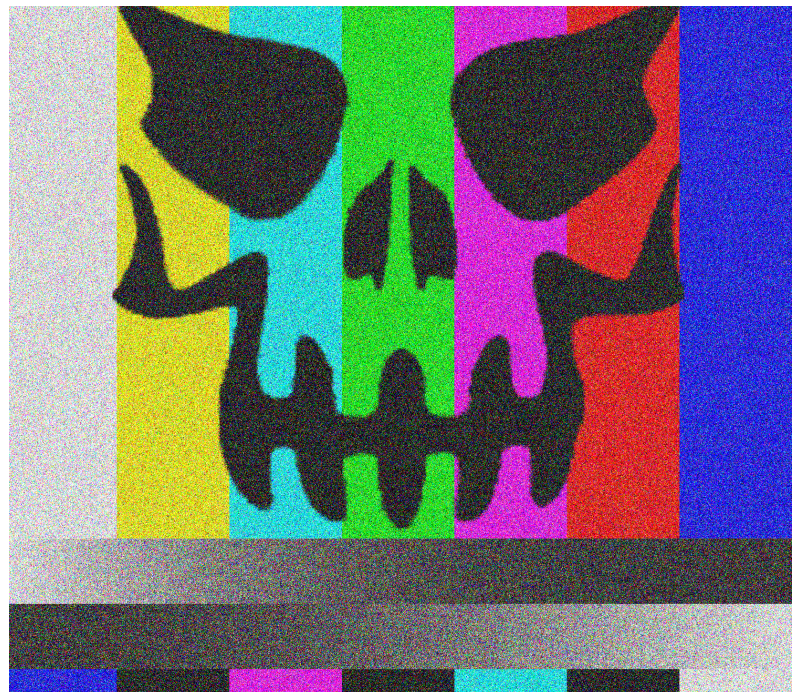

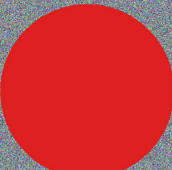

Panic in the sky tonight as reports are coming in from all over the world of snow storms. Even in more tropical climates these snow storms rage on.

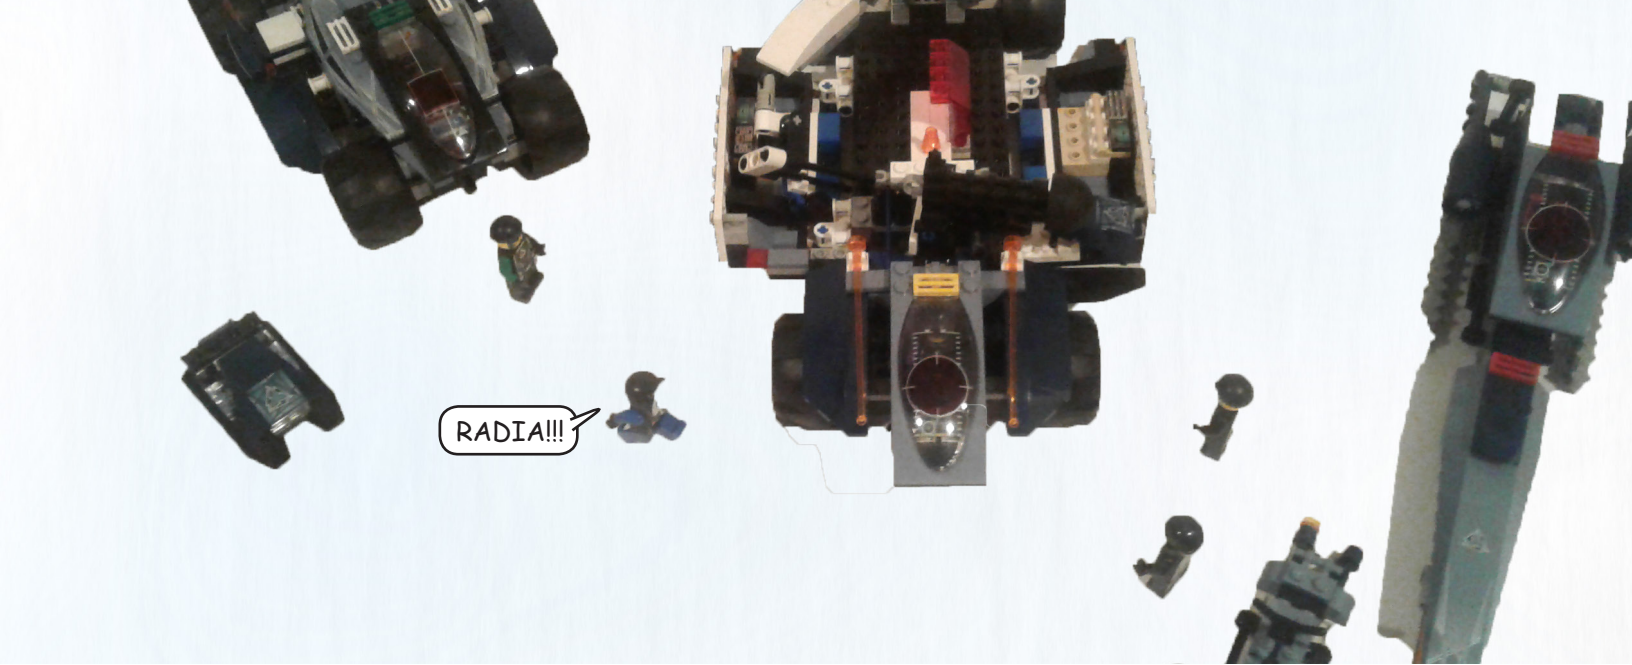

We have not been able to-

 REC

Greetings. For those of you that don't know me, my name is Ogel. And I am the one that caused these shifts in the weather. I've decided to allow you the chance to understand what I am doing. This world has gone as far as it can under the current regime. I am going to fix it. Many of you will not survive, but for those who do, utopia is coming. So go home hug your families tell them good bye and wait, for a new world order is coming.

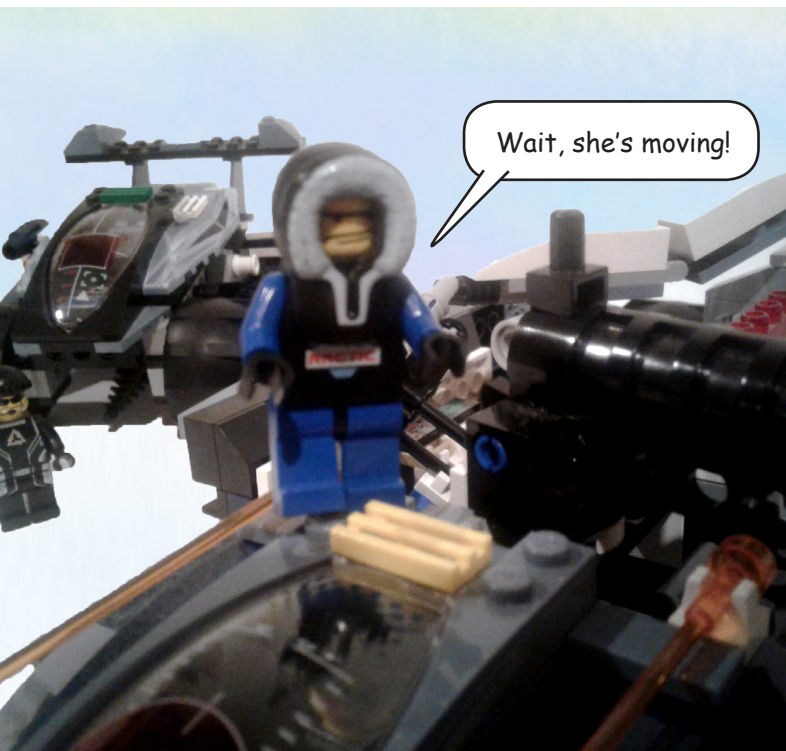

RADIA!!!

How is she looking Crunch?

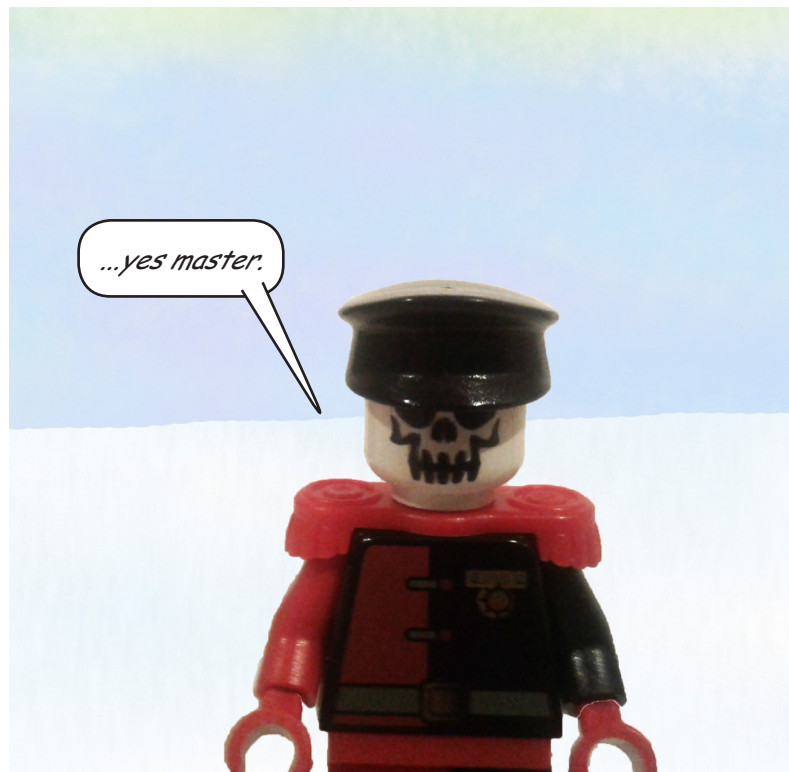

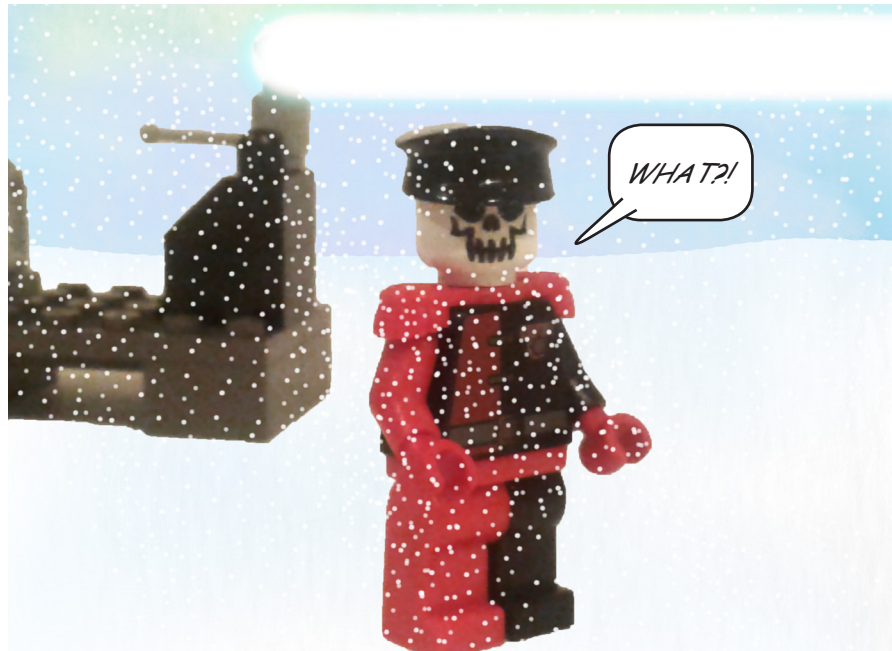

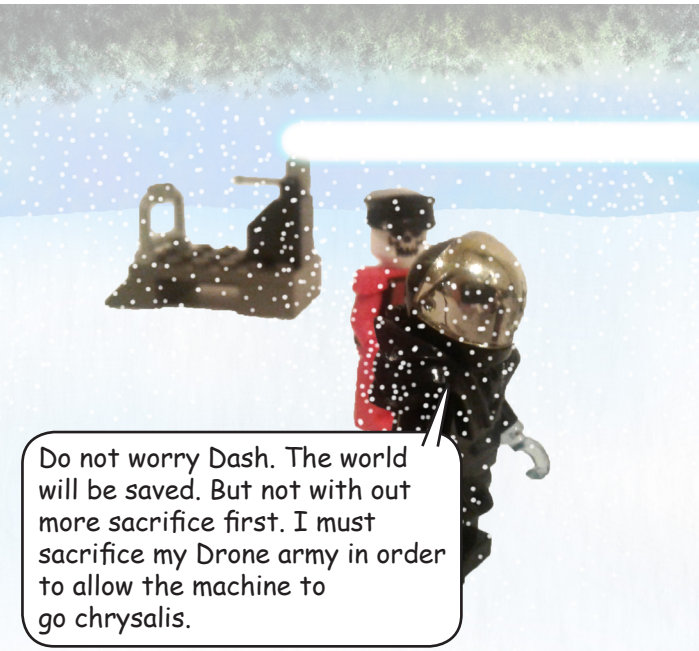

Not good Charge.

Wait, she's moving!

We have to get her out of there.

And we'll need that one too.

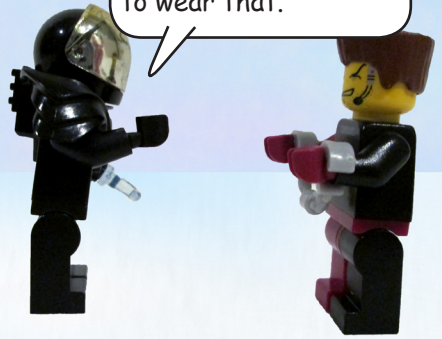

CAM!

DASH!

And you don't deserve to wear that.

This isn't over Ogel.

I will stop you.

No... you won't.

Master-

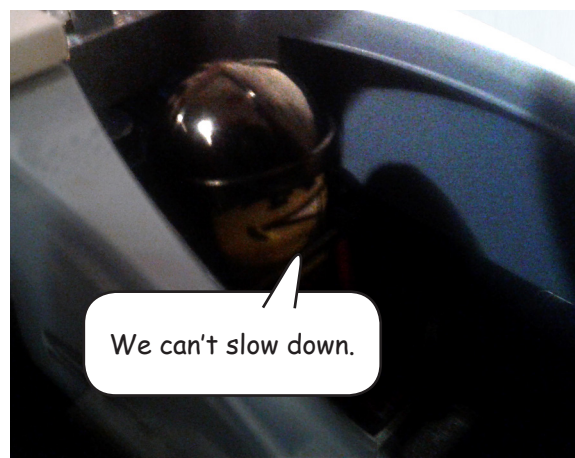

Are you ready to play your part?

... yes... master.

AHHHHHHHHH!!!

Keep moving.

You've lost Dash.

No.

oof-

DASH

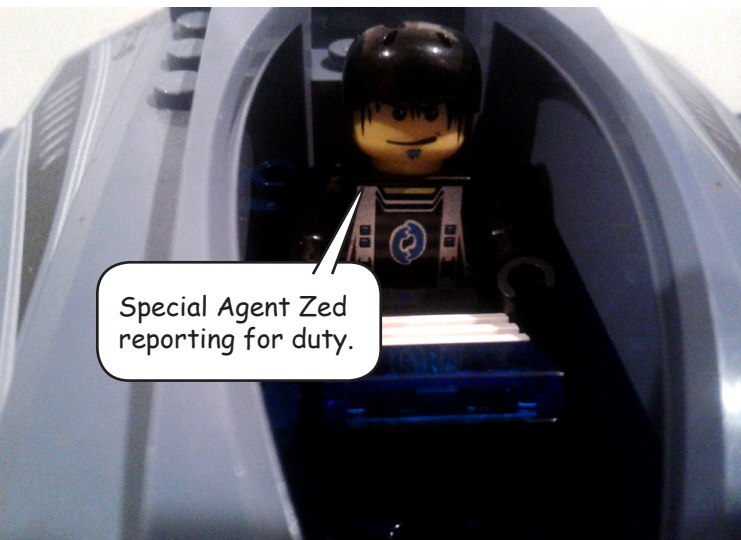

I got your
distress signal.

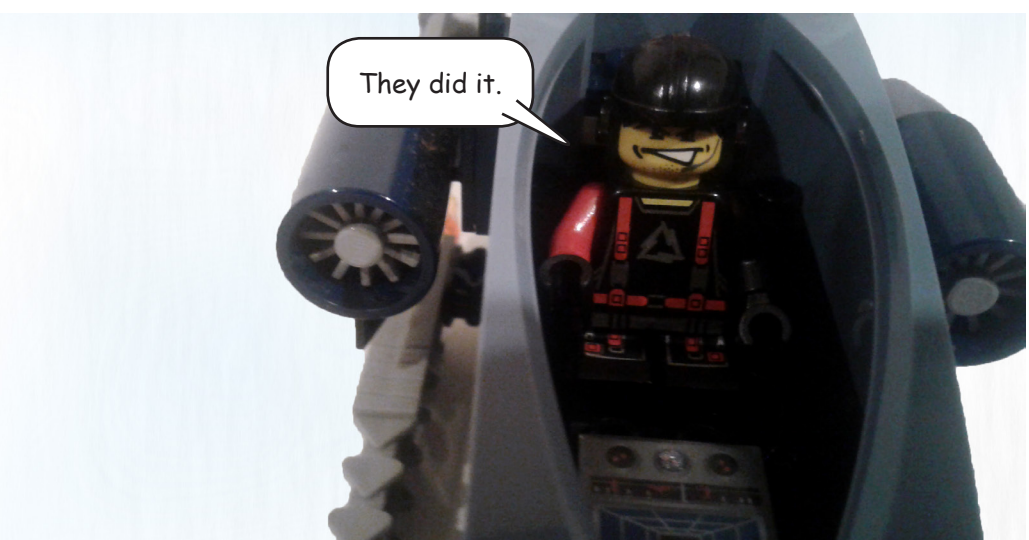

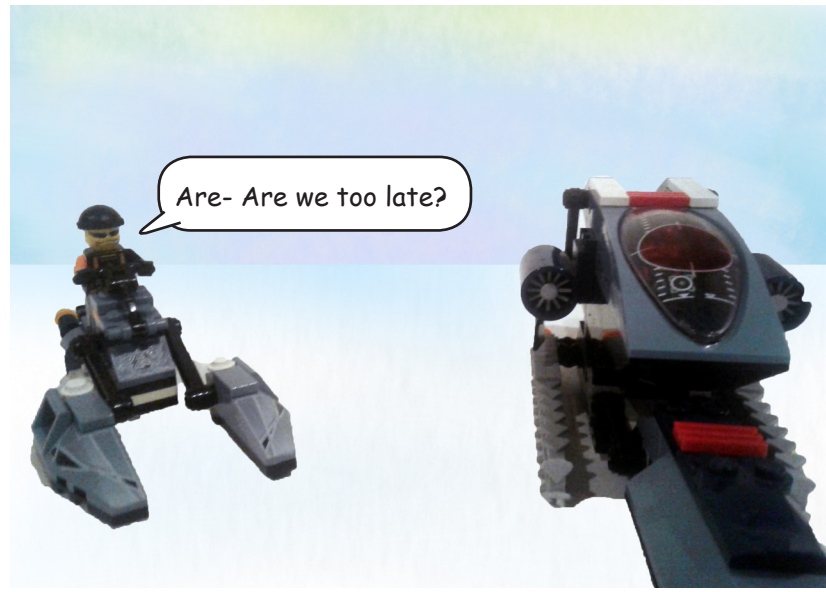

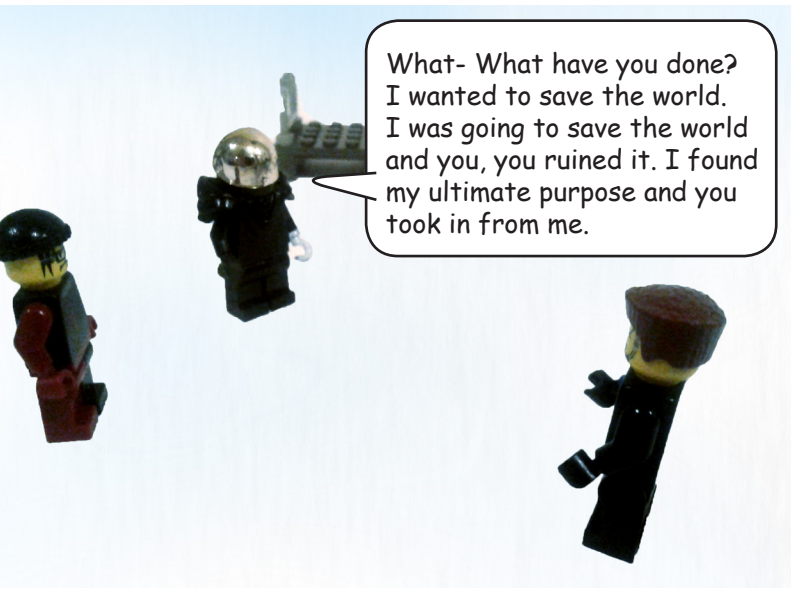

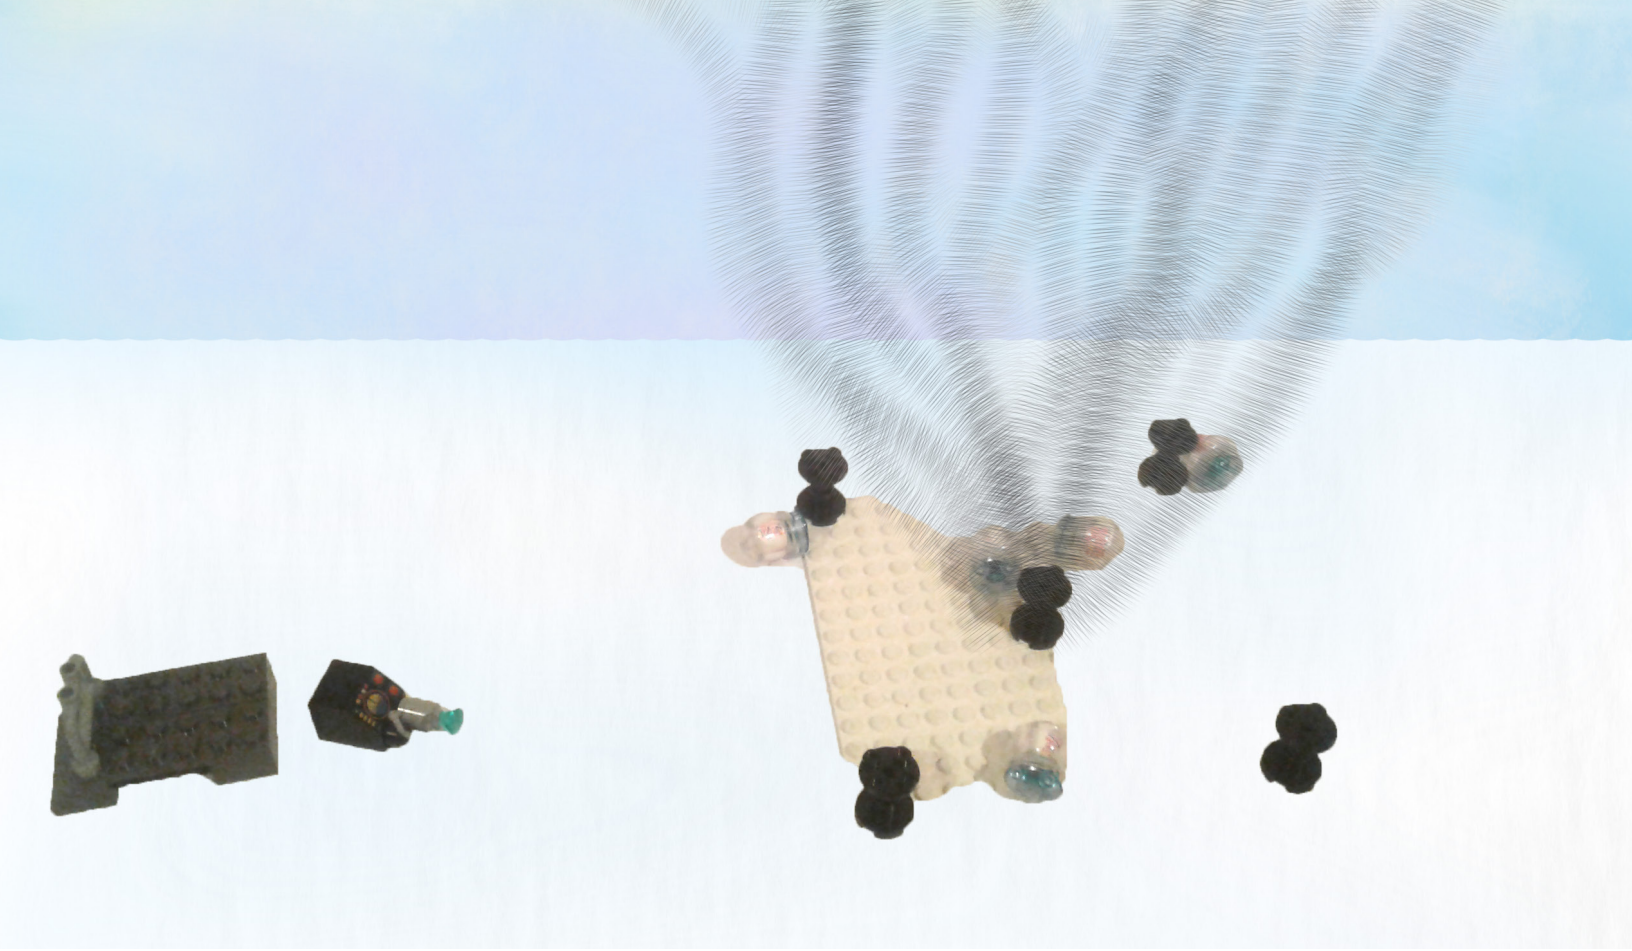

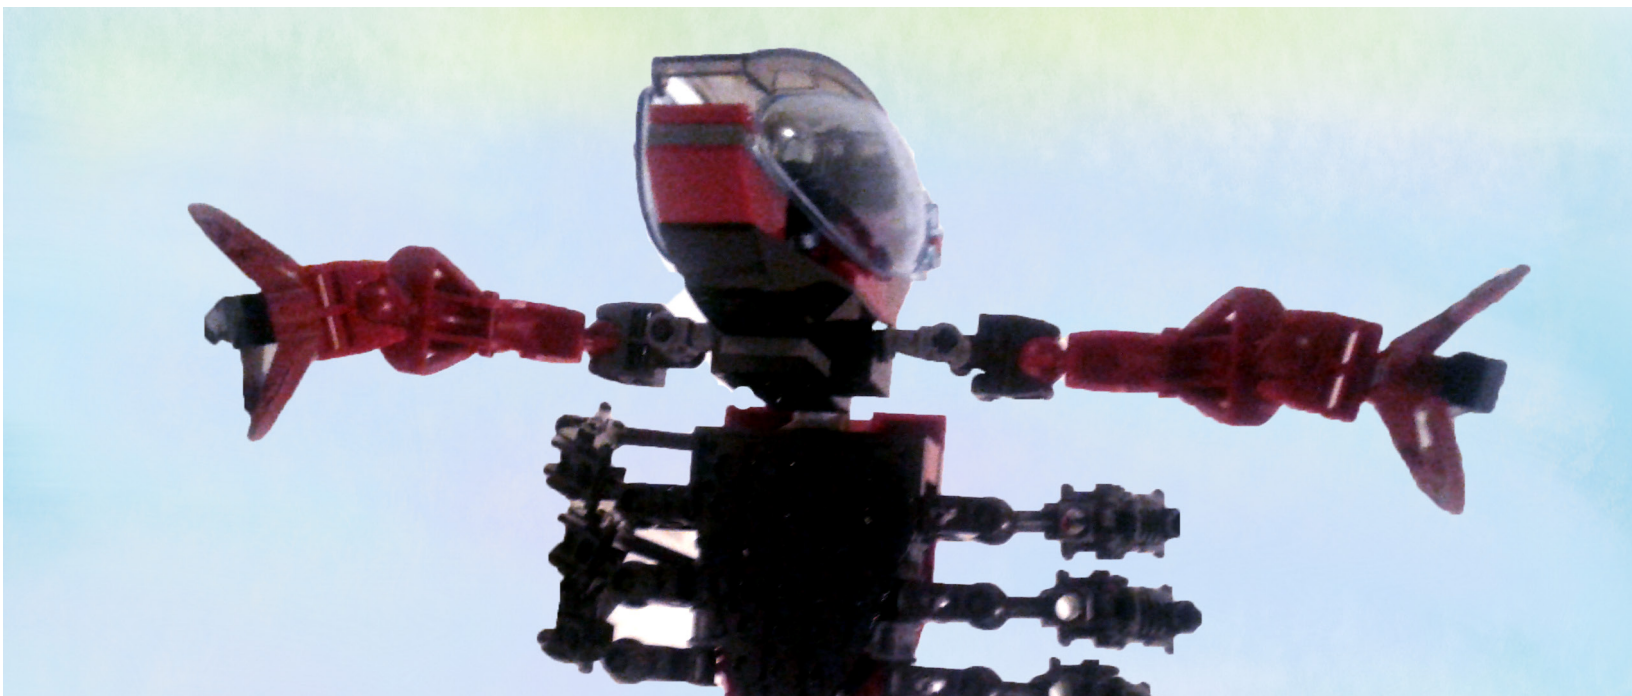

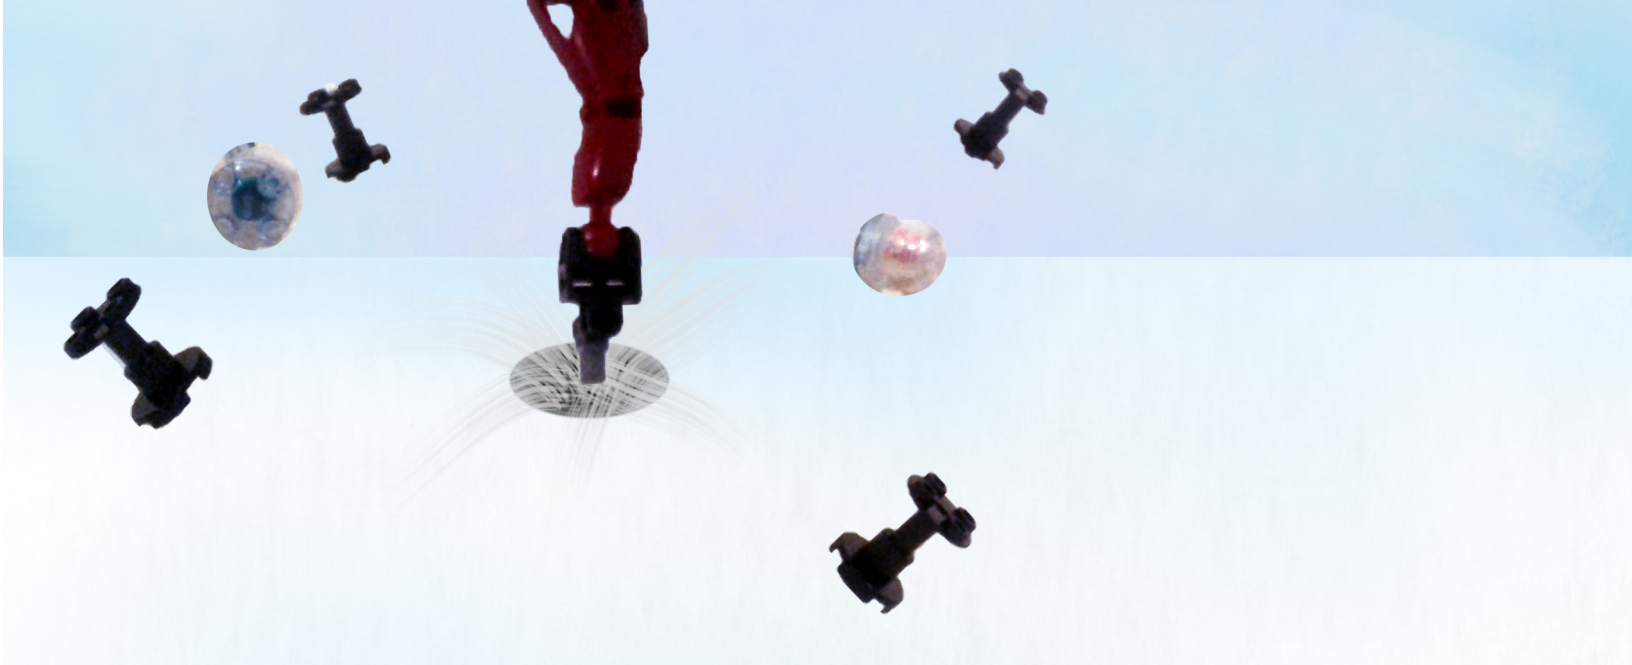

Thanks T3. Now
come on, we don't
have much time.

The ultimate battle is about to begin.
